Miller County —

Sarah Jones, Hospice Compassus Consultant, presented Joyce Malmberg, RN, Administrator at Miller County Care and Rehabilitation Center in Tuscumbia, a recognition certificate and large cake in celebration of MCC&RC's continued Five-Star status with the Center for Medicare & Medicaid Service. A nursing facility's overall quality rating with CMS on Nursing Home Compare is based on its rating for health inspection, quality measures and staffing. This type of overall rating ranges from 1 star to 5 stars, with more stars indicating higher quality.

Also included was the prestigious recognition of Miller County Care in the U.S. News and World Report 2013 "Best Nursing Homes List."

"Being chosen for this top listing is an honor, and I give credit and appreciation to my staff for their hard work and devoted care to our residents," Joyce Malmberg, MCC&RC administrator, said. Miller County Care is also a Charter Member of the Advancing Excellence Campaign, a national campaign that encourages, assists and empowers its staff to improve the quality of life for its residents.
